WRITING TOPIC: POPULAR SPORT IN MY COUNTRY

Popular Sport in My Country

Football is very popular in my country. Almost everyone in the country loves football. Young people love it more than other people. Teams play in the stadium. Other people play in a park or on the beach. The big teams play four times a month. Other players can play matches at any time. They usually play on a small grass field. Children play in parks or streets. Men usually play football in my country, but some women play too. We prefer watching (it) on TV because the tickets are very expensive. Another reason is (that) tickets are selling out fast and sometimes these matches can be very dangerous.
